

July 18, 2016

Dear NeurOp Shareholder:

As we have in previous years, I'm writing to update you on the progress we have made this past year and the direction NeurOp is heading for the remainder of 2016 and into 2017. We will continue to update our website with current information ([www.neuropinc.com](http://www.neuropinc.com)) and events and also invite you to join our LinkedIn page. This year has proven to be a challenge, and our lead compound, NP10679, is on track to have an open IND by the summer's end. The support for this program from the NIH remains strong, and we are confident of continued support from this agency to initiate Phase I trials. Feel free to reach out to me with any questions.

I look forward to updating you throughout the year on our progress.

Very sincerely yours,

A handwritten signature in black ink, appearing to read "G Koszalka".

George Koszalka, Ph.D.  
President and Chief Executive Officer  
NeurOp, Inc.
